

Which Parts of New York Would Be Most Affected by Cuts to Fleet Branches?

A survey of over 20 cities across New York State shows that 100 Fleet branches are within five miles of these urban areas. If the merger between Fleet and Bank of America goes through, thousands of jobs could be at risk. ***Please see the following report for how many branches near select cities in the state could be affected.***

Central New York: There are 20 Fleet branches within five miles of the following Central New York cities.
