The Honorable Cindy Hyde-Smith  
Ranking Member  
Senate Committee on Appropriations  
Subcommittee on Transportation, Housing  
and Urban Development, and Related  
Agencies  
Washington, DC 20510

Dear Chairman Schatz and Ranking Member Hyde-Smith,

The purpose of this letter is to request technical corrections to Fiscal Year 2023 Congressionally Directed Spending projects in the Transportation, Housing and Urban Development, and Related Agencies bill, listed below. I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. The reason for this necessary correction is to clarify that the request listed below is eligible for funding under the Department of Transportation (DOT) Federal Transit Administration (FTA) Transit Infrastructure Grants (TIG) account.

**Account funded in:** DOT FRA CRISI

**Project Name in the FY23 JES:** Midway Crossing

**Recipient Name in the FY23 JES:** Suffolk County

**Project Purpose as originally requested in Legimate:** This project will create new surface parking at the Ronkonkoma Train Station. This parking will accommodate future growth in parking demand and allow for the reorganization and consolidation of existing commuter parking, facilitating future vertical development in close proximity to the station itself.

**Request for technical change:** Transfer funding from the Department of Transportation (DOT) Federal Railroad Administration (FRA) Consolidated Rail Infrastructure and Safety Improvements (CRISI) account to the DOT Federal Transit Administration (FTA) Transit Infrastructure Grants (TIG) account to ensure that this award is eligible for funding.

Sincerely,

Charles E. Schumer  
United States Senator
